1. The first thing I did was to go to the  
2. and find out what was going on.  
3. I found that the situation was very serious.  
4. I then went to the hospital and saw the doctor.  
5. He told me that I had a very bad cold.  
6. I then went to the pharmacy and bought some medicine.  
7. I took the medicine and went to bed.  
8. I slept for a few days and then I felt better.  
9. I then went back to work and everything was fine.  
10. I was very happy to be back at work.
